

EQUINE FUSION

Ultimate

Benefits of the jogging shoes:

1. Extends the natural hoof function through the flexible sole
2. Forces distributed through the sole, not sidewalls of the shoe
3. Flexible upper supports all hoof shapes - hoof does not need to be an exact fit on the sole
4. Double lock system, less risk of losing shoe
5. Tested, developed and produced according to European health and environment regulations
6. Best buy on the market
7. Best product for both the horse and owner

Why "Ultimate"?
